

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF PURCHASED GAS            )  
ADJUSTMENT FILING OF MARTIN       ) CASE NO. 9550-A  
GAS, INC.                               )

O R D E R

On October 10, 1986, the Commission issued its Order in Case No. 9550 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On December 17, 1986, the court-appointed receiver of Martin Gas, Inc., ("Martin") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Columbia Gas of Kentucky, Inc., ("Columbia") effective December 7, 1986, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Martin's notice of December 17, 1986, set out certain revisions in rates which Martin proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$14,502 or 31.87 cents per Mcf.

(2) Martin's wholesale cost of gas was decreased by Columbia effective December 7, 1986.

(3) Martin should report to the Commission any excess revenues collected during the period from December 7, 1986, to the date the proposed rates are implemented, along with a plan to refund any excess collections to its customers.

(4) Martin's proposed adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 9550 dated October 10, 1986, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after December 7, 1986.

IT IS THEREFORE ORDERED that:

(1) The rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after December 7, 1986.

(2) Within 30 days of this Order Martin shall report to the Commission any excess revenues collected during the period from December 7, 1986, to the date the proposed rates are implemented, along with a plan to refund any excess collections.

(3) Within 30 days of the date of this Order Martin shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 5th day of January, 1987.
